

Season's greetings

Print. Colour. Fold. Give.

Print page 1 only, single-sided, at actual size (100%) on A4 landscape.

Check your printer accepts the paper. Start with coloured pencils.

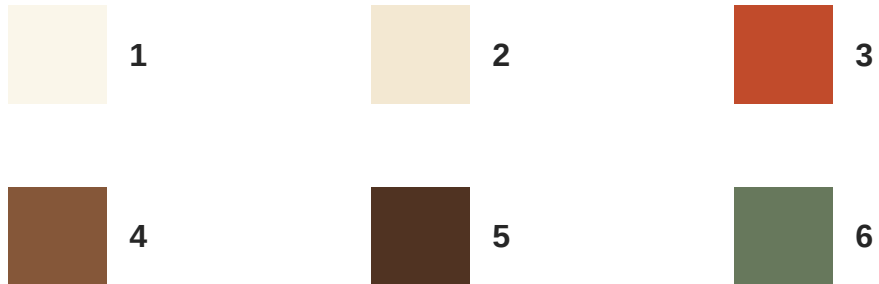

Small accents are preprinted; fill only the numbered areas.

For wet paint, use suitable paper and test a spare printed corner first.

Let all paint dry before folding. Fold the blank left half behind the bird.

The finished card is A5: 148.5 x 210 mm. Write your message inside.

This prototype has been digitally checked, not physically printed or painted.

Swatches guide your choice; they are not manufacturer paint codes.

Personal and classroom printing allowed. Original AI-assisted illustration.
